

## Vejo's "Never List"

At Vejo, we are on a mission to make healthy nutrition easy. That means creating products that you can trust. Vejo's "Never List" includes potentially harmful ingredients that we refuse to use when formulating our blends. Vejo is committed to creating a clean label for our food and nutraceutical blends.

- 2,4,5-trihydroxybutyrophenone (THBP)
- Acesulfame-K
- Acetylated esters of mono- and diglycerides
- Aspartame
- Advantame
- Aluminum ammonium sulfate
- Aluminum sulfate
- Ammonium chloride
- Apricot kernel/extract
- Artificial sweeteners
- Aspartame
- Azodicarbonamide
- Benzene
- BHA (butylated hydroxyanisole)
- BHT (butylated hydroxytoluene)
- Bisphenol A (BPA)
- Bleached flour
- Bromated flour
- Brominated vegetable oil
- Calcium benzoate
- Calcium bromate
- Calcium propionate
- Calcium sorbate
- Canthaxanthin
- Caprocaprylobehenin
- Caramel coloring (II-IV)
- Carmine
- Certified colors
- Cyclamates
- DATEM
- Diacetyl (synthetic)
- Diethanolamine (DEA)
- Disodium guanylate
- Disodium inosinate
- Dodecyl gallate
- EDTA compounds
- Ephedra
- Erythrosine
- Ethoxyquin
- Ethyl vanillin
- Ethylene oxide (ETO)
- FD&C colors/pigments
- Formaldehyde
- Gardenia blue
- GMOs (Genetically Modified Organisms)
- Heptylparaben
- Hexa-, hepta- and octa-esters of sucrose
- High fructose corn syrup (HFCS)
- Hydrogenated oils
- Ingredients sterilized by ethylene oxide
- Irradiated ingredients
- Magnesium silicate
- Metallic colorants
- Methyl silicon
- Methylparaben

- Microparticulated whey protein derived fat
- Mineral oil
- Monoammonium glutamate
- Monopotassium glutamate
- Monosodium glutamate
- Monoethanolamine (MEA)
- Myrcene (synthetic)
- Natamycin
- Neotame nitrates (synthetic)
- Nitrites (synthetic)
- Partially hydrogenated oils
- Petrolatum
- Polydextrose
- Propionates
- Propyl gallate
- Propylene oxide
- Olestra
- Saccharin
- Salatrim (short and long chain acyl triglyceride molecule)
- Shark cartilage
- Smoke flavor (synthetic)
- Sodium benzoate
- Sorbitol
- Sorbic acid
- Stannous chloride
- Stearates
- Sucralose
- Sucroglycerides
- Sulfites (potassium bisulfite, sodium sulfite)
- Sulfur dioxide
- TBHQ (tertiary butylhydroquinone)
- Titanium Dioxide
- Triethanolamine (TEA)
- Vanillin (synthetic)
